Doesn't matter to me

Should you really be saying that?

I don't wanna go back to Karens

That's because
You called an ambu-lance?
You'll get arrested!
If you stay here you'll get involved in this

GO!

What the

You live in a funeral home?

It's pretty big

If people don't die then we can't eat

So that's what you meant by dead bodies

Hahaha

When you die it's just the meat of the soul

Did you know ....?

You can make a lot of money from funerals

I guess so

If you died you'd have a huge funeral huh!?

It's pretty profitable

But it's a terrible business

You don't know? Look at his face!

Looks like a Cro-Magnon Man huh!

By the way

Why are you called "Manion"

You've seen them in picture books too right?

There used to be these people called "Cro-Magnum"

They had this kind of face!

.....

What is that ?

Now I see it!

So can I call you "Mani" from now on?

Kuku kuku

Mani!

Sounds good huh?

Mani?

ZER

Is that so .....

But you know, I really thought you were weird before but

That's only because at our age we can finally do stuff in the gang

Your actually a pretty positive person!

It'd be a waste if we didn't have some fun
Yeah

Yuko
We're
closed
already

Okay

It's been two days since I last spoke to Yuko

Tch

Can I speak with you Kase?

Did she really go back to that guy?

Is he that much better than me?

Shut up!

What the hell is this guy saying

Huh ……

Hey ....

Can I go home now?

You know .....

I don't hate you

That's right

You were the splitting image of him before he died

Your saying he fell of his bike and died?

I just don't want you to become like one of my former students

Can you imagine the pain your family would feel if the son they cared for and raise with all their love and affection suddenly died on them?

Don't put me together with him

I see

You both .....

Family ....?

I'm

Going home

No I can't

I just wanna ride!

It's so damn annoying

This is all so useless

Hurry up and be night already!

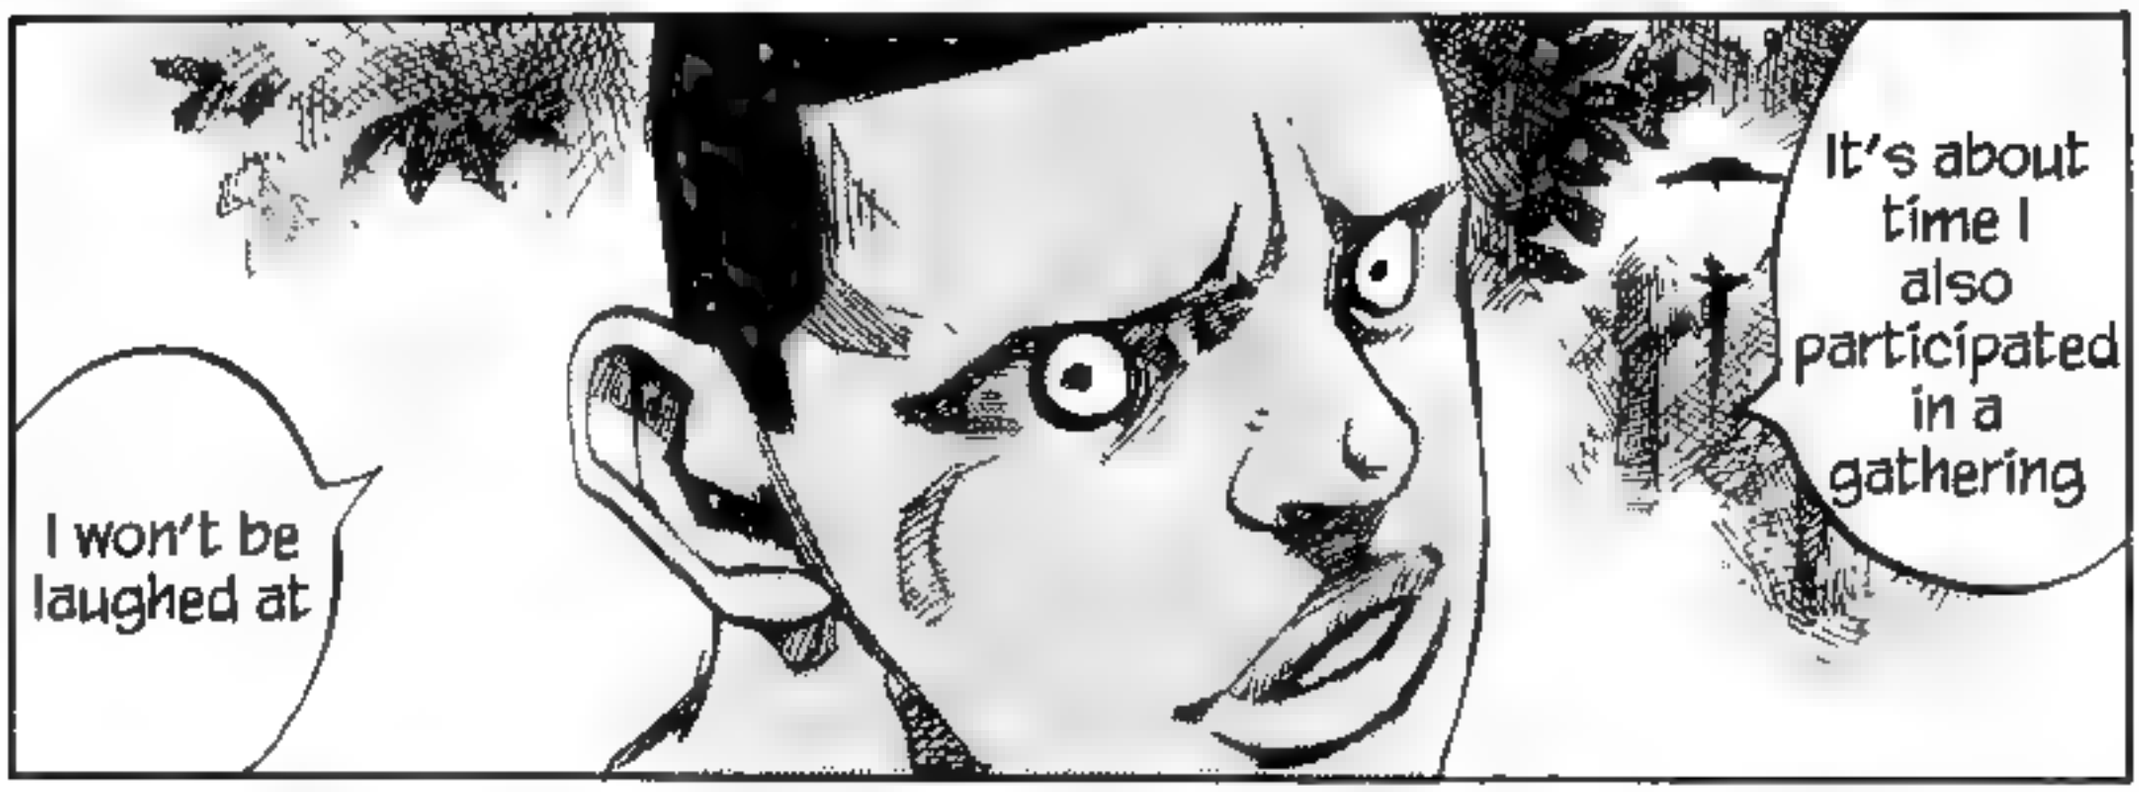
Yeah

And also
I'm tired of always riding on the back!

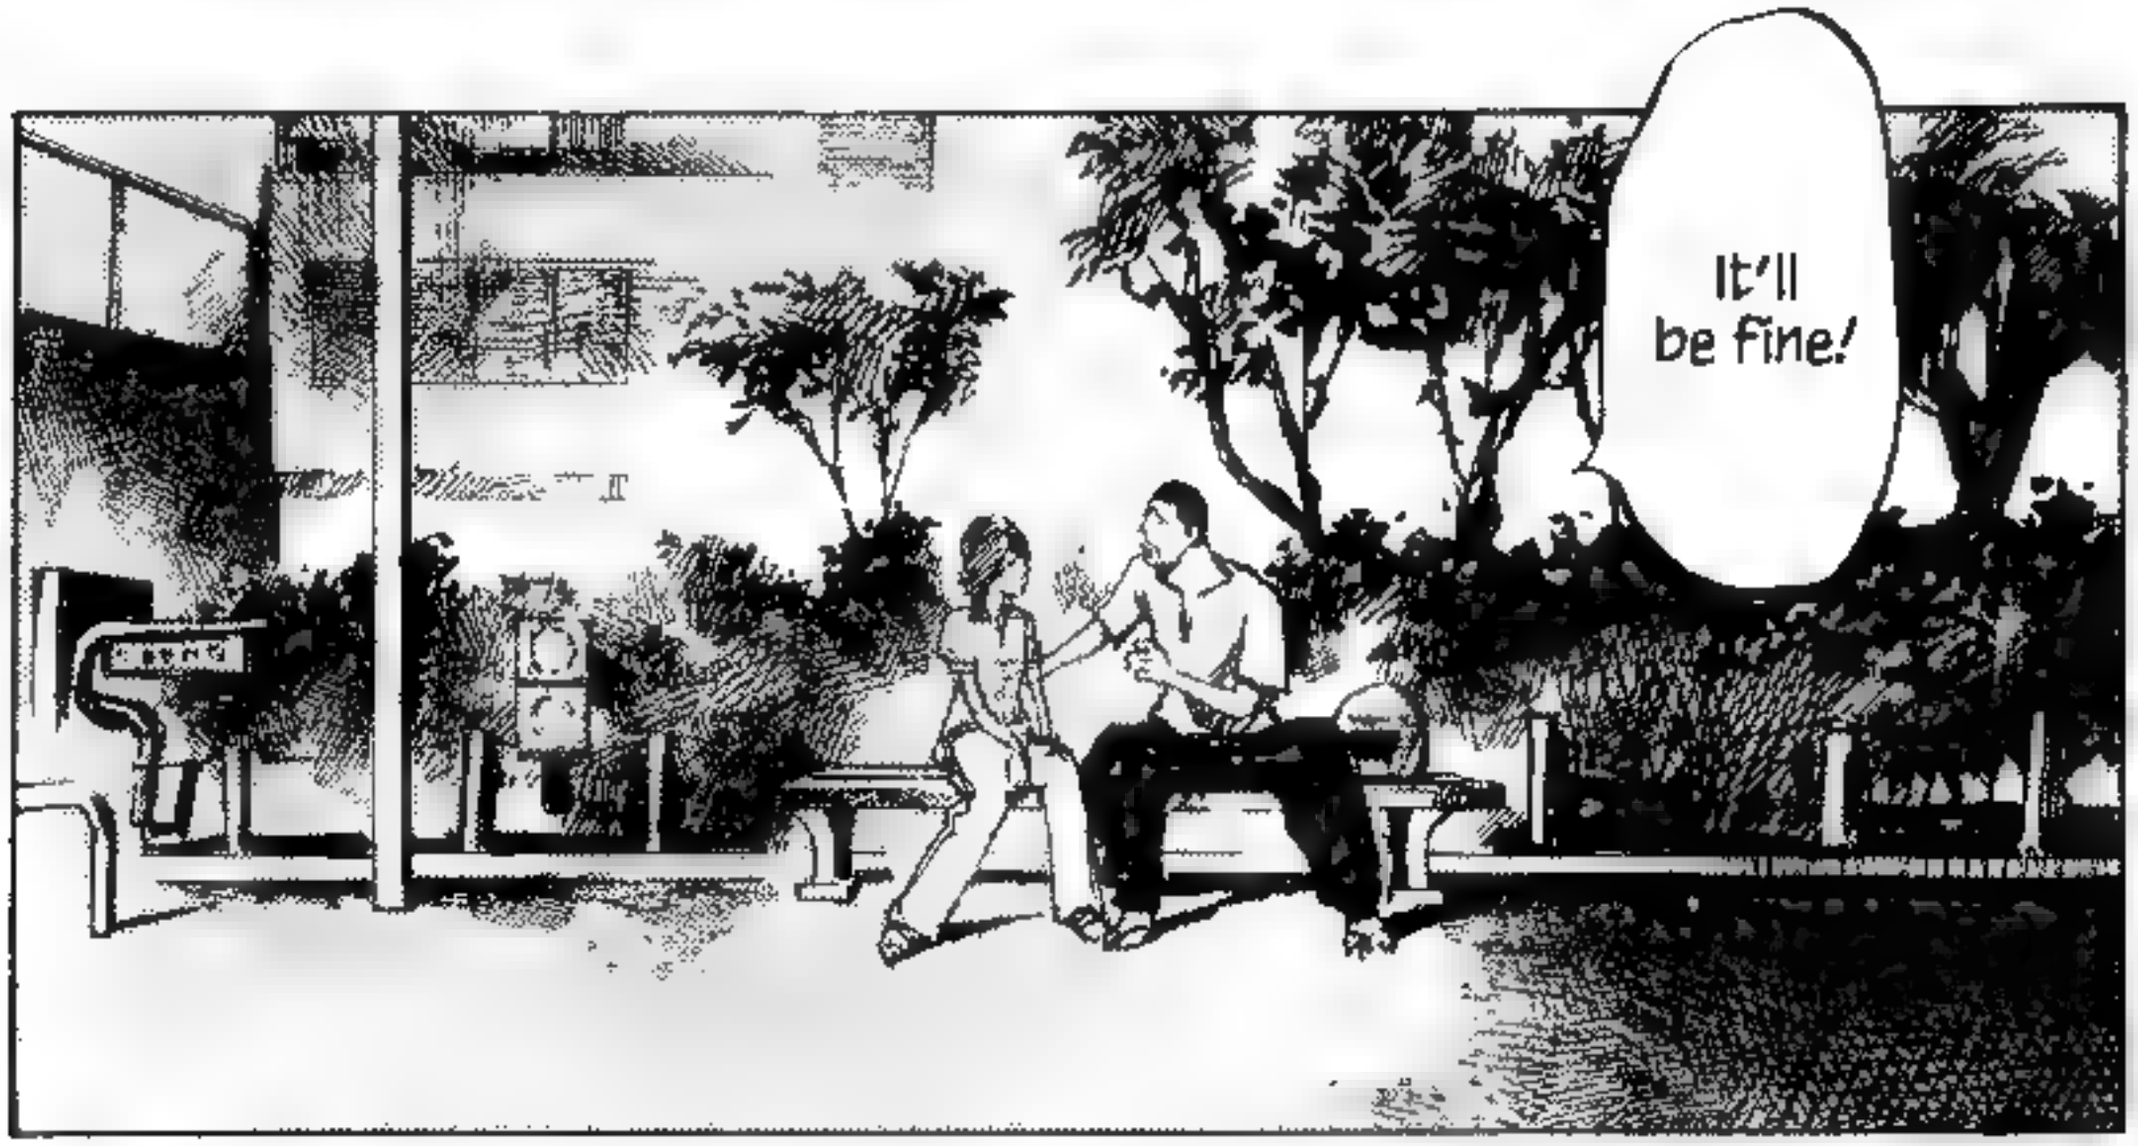
Don't you think you should finish your driving school before you do this!?
W.. Wait!

But basically I don't need a license to participate in the gathering



I won't be laughed at
It's about time I also participated in a gathering

Hmm mmm mmm
Hmm mmm



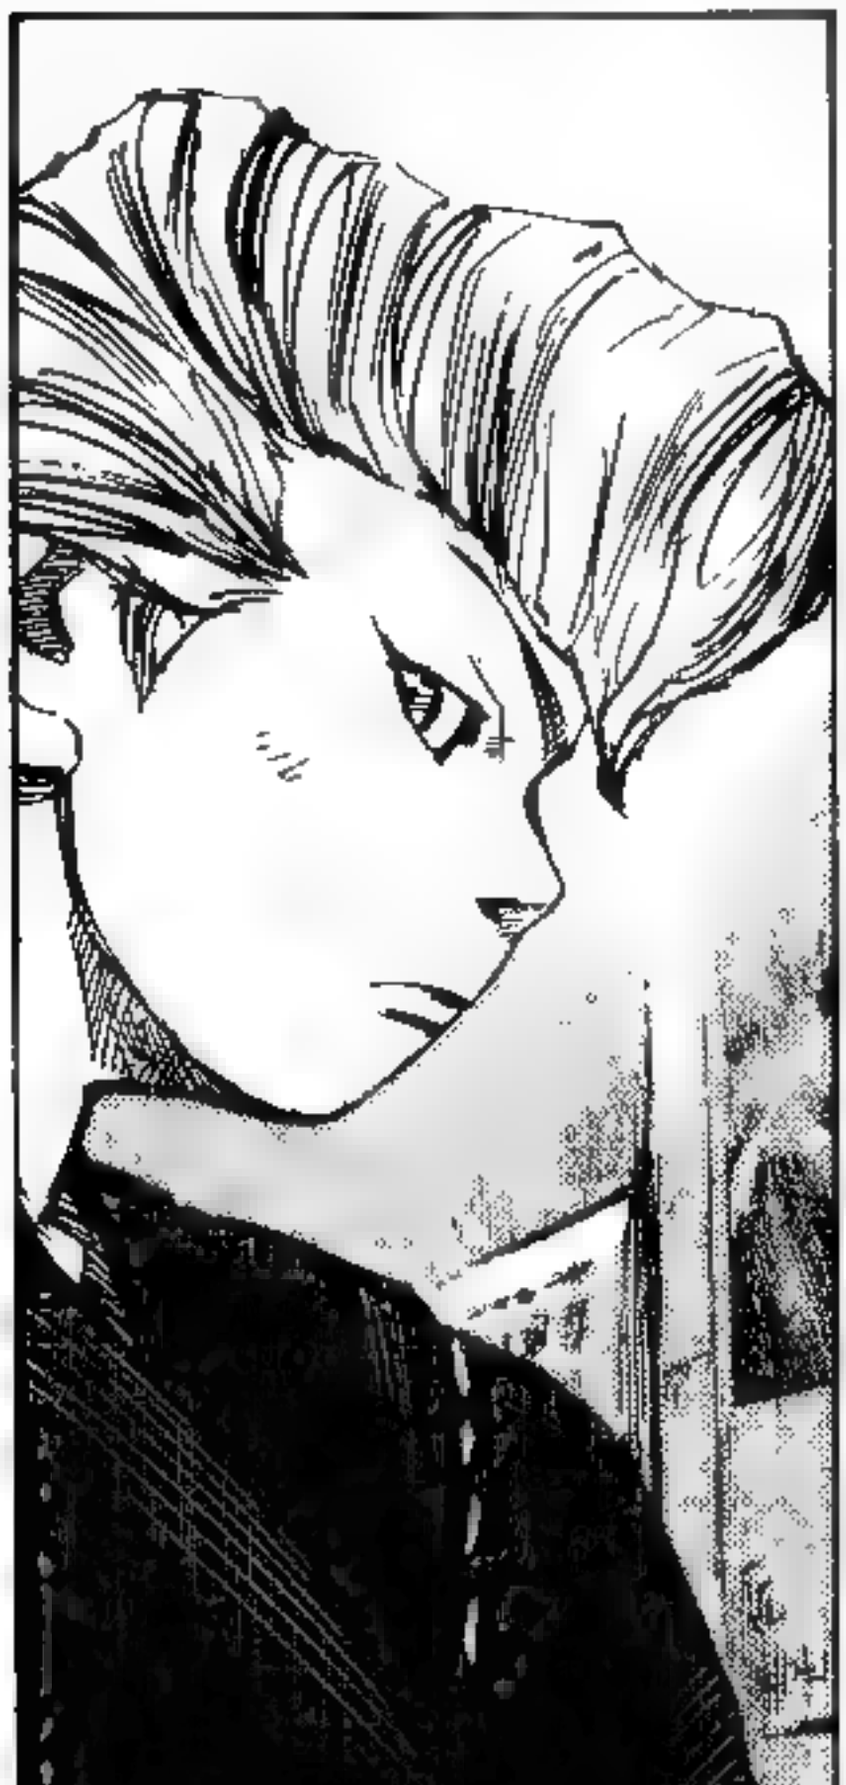
It'll be fine!

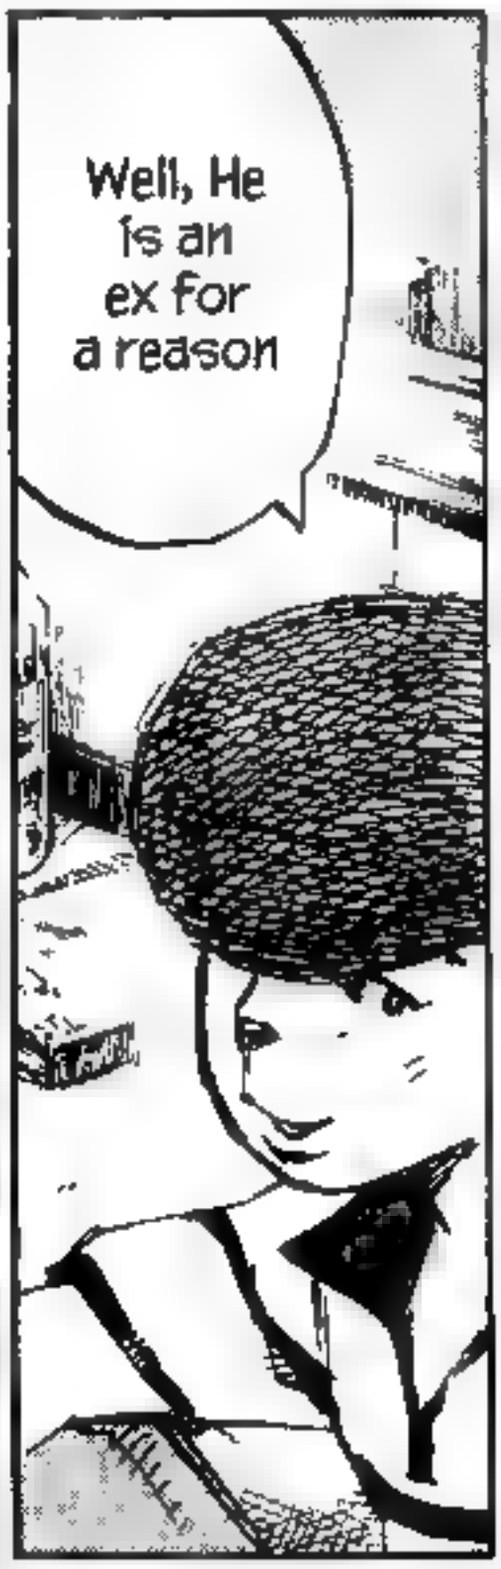
Where's Kazuya ?
If he isn't sleeping he'll come
Hey guys!

ZEROS

ZEROS
Haha Same old!
It'll be bad for me if he doesn't come...

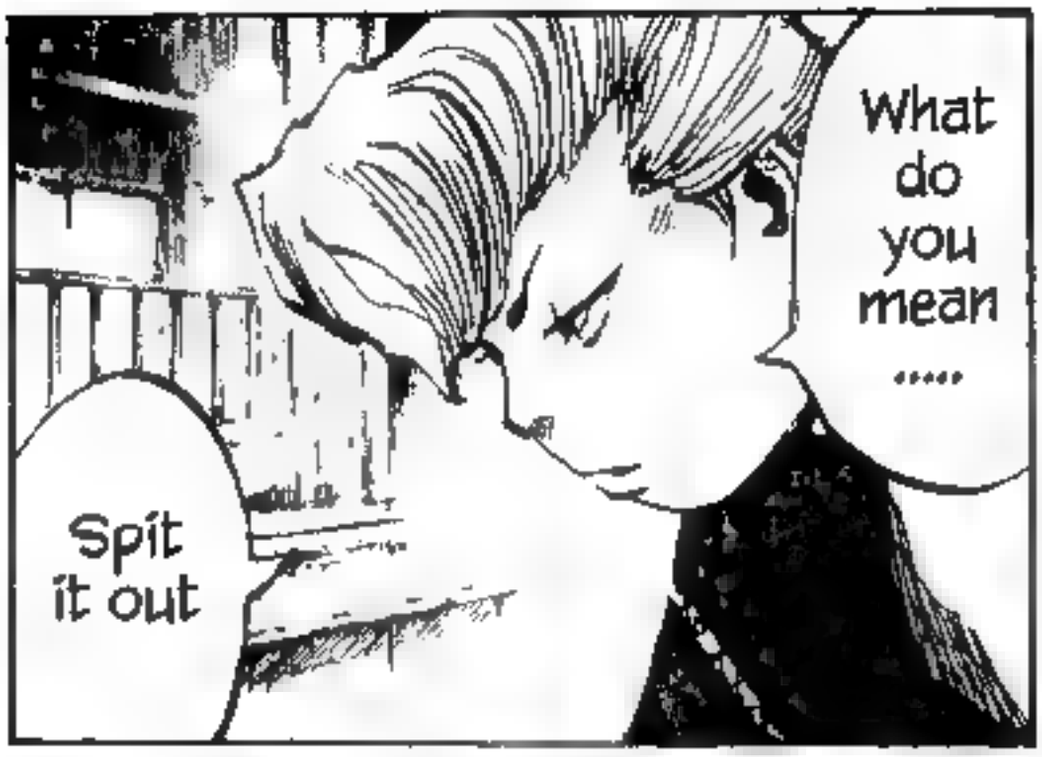
What's with you and Yuko?
I haven't spoken to her



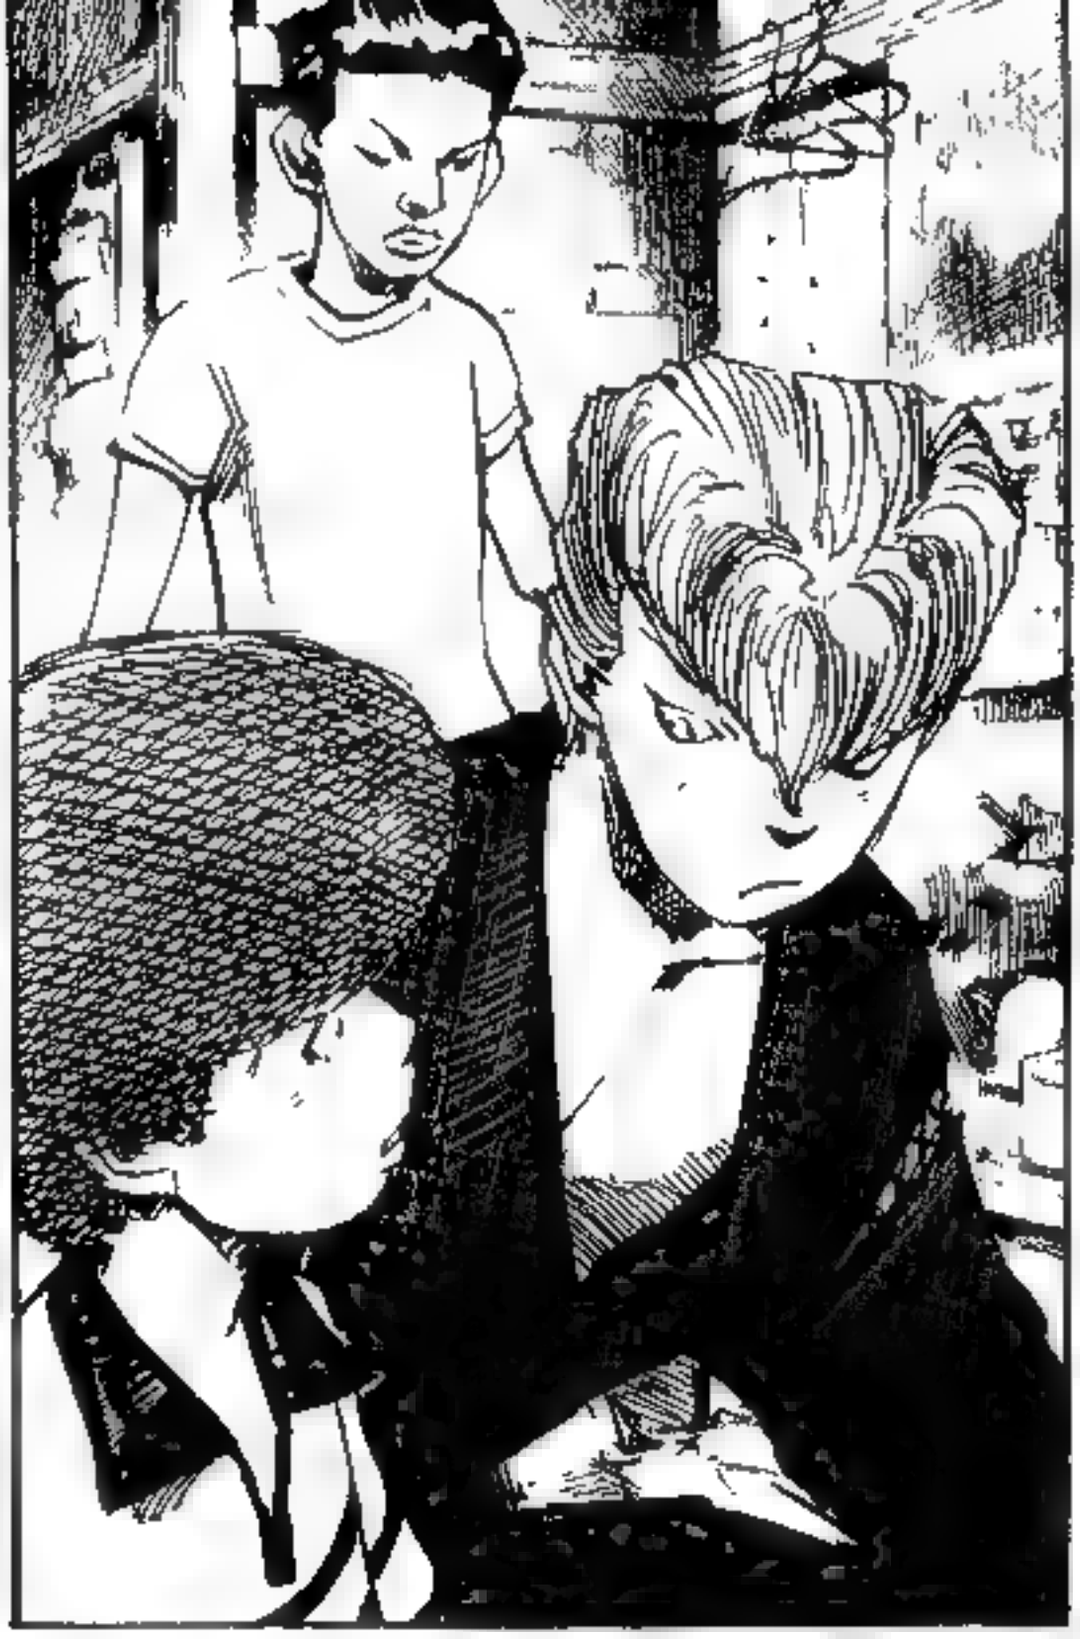


Well, He is an ex for a reason

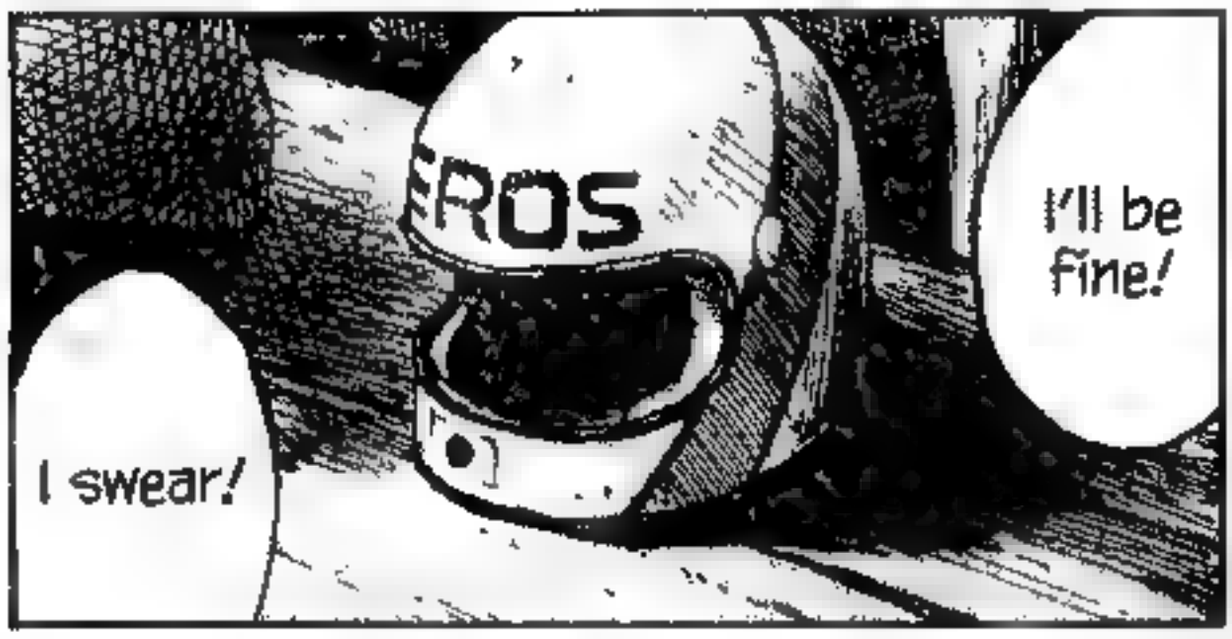
It's been three days already!
Doesn't matter to me



What do you mean .....
Spit it out



It's a joke!
Don't get mad!



EROS

So which one do you want to see?

Hey Wanna see a movie on sunday?

Okay!

They're just a puny biker gang

Keh
